

Lancaster County Barns

RESTORATION &
CONSTRUCTION
OF ANY TYPE OF BARN

Our Barns are constructed mostly of rough cut Oak Framing and White Pine Board & Batton Siding.

We can build any size of barn or garage for a variety of uses. There are also many styles available from the classic Hip Roof style to the regular A-Frame style. Custom-

ization is also available in every style to meet your needs. We have locally made, Powder Coated Goals (available in many colors) and all sizes of Wooden or Vinyl windows with 4, 6 & 9 Lite in stock.

Plumbing and excavating is also available. We also offer Riding Arena's in any size.
