

# NEW ENGLAND GARAGE HEIGHTS/ PITCH OPTIONS

## OPTION 1

Roof pitch 7/12

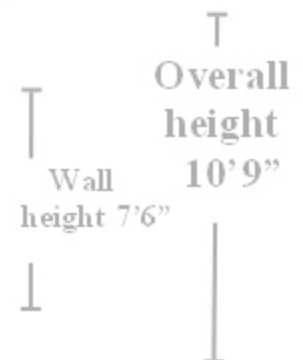

Garage door 9'x6'6"

## OPTION 2

OPTION 1 can also be made with 7' walls for \$4.50 per perimeter foot upgrade price. The garage door increases to 9 W x 7 H. If you choose the 7' walls the overall height changes to 11'3". In some areas travel of the fully assembled model is prohibitive.

## OPTION 3

Roof pitch 5/12

Garage door 9 x 7

Option 3 is available for \$4.50 per perimeter foot upgrade price.
